Lár Uladh
Mid Ulster
District Council

The Challenge:

Primary school children in the district are invited to take part in the competition by creating a sculpture out of the everyday recyclable items found in their blue bin. It can be a fairy, a robot, a rocket, a car or even a scary dinosaur. There are so many marvellous things waiting to be discovered!

The challenge aims to make children more aware of the items in their blue bin, and enhance their understanding of the importance of recycling and re-using our waste.

The Rules:

- The competition is only open to children who live or attend school in Mid Ulster.
- Only 1 entry per child.
- Sculptures must be made from at least 2 recycled materials found in your blue bin.
- Sculptures must be 3D.
- All materials used in the creation of your sculpture apart from paint, tape, glue or fasteners used to hold it together must be recycled from your blue bin.
- Entries must include the child's, name, age, school and contact details and a paragraph explaining what your sculpture is and listing the main materials used.
- It must also include a minimum of 2 photos but no more than 4 of your sculpture.
- Sculptures must be photographed and entries must be submitted electronically to recycling@midulstercouncil.org by Wednesday 10th March 2021.
- All sculptures should be age appropriate. Parents can help but it should be the child's work.

The prizes:

10 lucky winners will receive a brand new Fire 7 tablet and the most creative entries will be profiled on the Council's social media channels.

Closing Date:

The competition closes on Wednesday 10th March 2021.
